

PRODUCT DESCRIPTION

RIVERINA COMPLETE DUCK MASH is suitable to be fed as a complete feed for growing ducks from day old to approximately six (6) to eight (8) weeks of age. Depending on breed may be suitable to feed through to slaughter weight. Ducklings should have unlimited access (feed Ad lib) to RIVERINA COMPLETE DUCK MASH.

- This feed is a complete growing feed program for growing ducks. It is produced in coarse mash form and ensures a consistent intake of nutrients essential for growth is achieved
 - This feed is formulated in accordance with current research into duck nutrition and is mixed from variety of quality raw materials.

COMPOSITION

- Base grain as depicted seasonally, and therefore proportions may vary.
- Wheat, maize, sorghum, bran and pollard, a combination of protein meals (pulses, cottonseed meal, soyabean meal, sunflower meal, blood meal, meat meal), vegetable/animal oil, limestone, salt, choline chloride, added lysine and methionine,, extra Vitamin E, Riverina Vitamins and Minerals.

DIRECTIONS FOR USE

- Environmental conditions including temperature and hygiene are of vital importance during the rearing period.
- This feed is a complete feed and no supplementary feeding is necessary.
- During this period approximate feed intakes should be:

Age	Approximate Feed Consumption
Day Old-1 Week	30 – 40 grams / bird / day
1-2 Weeks	80-100 grams / bird / day
2-3 Weeks	150-160 grams / bird / day
3-4 Weeks	180-190 grams / bird / day
4-5 Weeks	200-215 grams / bird / day
5-6 Weeks	225-235 grams / bird / day
6-7 Weeks	235-245 grams / bird / day
7-8 Weeks	245-250 grams / bird / day

- NOTE: The above feed intakes are only indicative. Feed intakes will vary with the season, variety of bird, shed conditions, disease status and other environmental conditions.
- It is important to change the feed regularly so it remains fresh and palatable.
- It is very important that birds have clean, cool, fresh water available at all times.

TECHNICAL RELEVANCE

- Contains digestible ingredients for young animals
- Protein meals provide natural sources of essential amino acids. Plus added lysine and methionine to balance essential nutrient requirements.
- Contains essential vitamins and minerals.

SPECIAL FEATURES

COMPLETE FEED

- Supplies essential nutrients for growth. No need for any other supplementary feed to be used.

IN COARSE MEAL FORM

- Improved digestibility and consistent nutrient intake.

QUALITY PRODUCT

- Manufactured to strict quality control standards.

PRECISE FORMULATION AND MIXING

- Formulated in accordance with current research into poultry nutrition and mixed from a variety of quality raw materials.

WITHHOLDING PERIOD

Meat. Nil.

WARNING

Monitor flock for coccidiosis outbreaks. Coccidiosis control programs may need to be included for a particular flock, property or situation and veterinary advice may be necessary.

STORAGE

Cool, dry conditions, away from vermin.

EXPIRY AFTER MANUFACTURE

3 months from the date of manufacture.

PACK SIZE

20kg, woven polypropylene bags.

Or

Bulk loads: Contact your local Riverina Sales Representative for details.

This feed is scientifically designed for the intended species of animal and should not be fed to any other animal. It may contain medication and ingredients that may prove harmful if fed to other species.
