

PRODUCT DESCRIPTION

- RIVERINA SHEEPGRAZ is a palatable molasses based liquid feed which is free flowing and contains a range of essential nutrients and trace minerals in solution. Is specially designed for Adlib feeding of sheep on freestanding pasture
- RIVERINA SHEEPGRAZ is based on molasses and comprises of proteins, urea (a non-protein nitrogen source) and limestone in combination with other minerals, vitamins and feed additives, providing essential nutrients required for maintenance and conditioning of sheep grazing with an abundance of dry feed.

DIRECTIONS FOR USE

- RIVERINA SHEEPGRAZ is designed to be fed Adlib (free choice).
- Feeding intakes for sheep is 0.25-1kg/head/day approximately, depending on the amount of dry feed available and body weights of the sheep.

TECHNICAL RELEVANCE

- RIVERINA SHEEP GRAZ is free flowing and less viscous than molasses.
- Held in Suspension, RIVERINA SHEEP GRAZ supplies the required amount of nutrients for optimum results.
- The use of Nitrogen will maximise organic matter fermentation and microbial protein synthesis while the sugar contained in RIVERINA SHEEPGRAZ will influence the quality of the microbial protein passing into the small intestine for absorption.

SPECIAL FEATURES

CONVENIENT

- Available in easy handling 1 tonne module or in bulk loads.

QUALITY INGREDIENTS

- The use of only the highest quality ingredients ensures palatability.

QUALITY PRODUCT

- Manufactured to strict quality control standards.

PRECISE FORMULATION

- Formulated in accordance with current research in sheep nutrition.
- Contains no added copper.

WARNING

Do not feed to dogs, horses or other equines may be fatal.

WITHHOLDING PERIOD

Meat. Nil.

STORAGE

Tanks suitable for recirculation.

EXPIRY AFTER MANUFACTURE

Sealed tank approximately 6 months.

1 tonne module 6-8 months.

PACK SIZE

1 tonne modules, 12 or 26t bulk tanker.

This feed is scientifically designed for the intended species of animal and should not be fed to any other animal. It may contain medication and ingredients that may prove harmful if fed to other species.

Ver: 3.0
