

### PRODUCT DESCRIPTION

RIVERINA FEED & BREED pellets are formulated to provide breeding mares and growing foals with their daily nutrient requirements. It is also suitable for weanling, yearlings and young horses under going early training programs.

### COMPOSITION

- Riverina Feed & Breed pellets are formulated from a selection of the following ingredients: barley, wheat, sorghum, bran and pollard, copra meal, cottonseed meal, canola meal, soybean meal, lupins, vegetable oil, molasses, limestone, dicalcium phosphate, salt, lysine, Yea Sacc™, Bio-Mos™, choline, vitamin E, copper sulphate, Riverina Equine Vitamin & Mineral premix.

### DIRECTIONS FOR USE

- This feed is designed to be fed in conjunction with lucerne chaff, oaten chaff and or pasture.
- The level of feeding required is determined by the condition of the horse, available pasture and level of exercise. Suggested feed rate per day should be supplemented with 1% of bodyweight of hay or chaff in addition to available pasture.

Class of Horse	Mature Weight 500 kg
Empty/Early Pregnant Mares	1.5-3.0 kg
Late Pregnant Mares	3.0-5.0 kg
Lactating Mares	4.0-6.0 kg
Weanlings	2.0-3.0 kg
Yearlings	3.0-5.0 kg
Stallions	3.0-5.0 kg

- Riverina Feed & Breed pellets are a complete feed. Please consult your Riverina Nutritionist before adding any additional supplements or grain.

### SPECIAL FEATURES

- High proportion of protein meals for body and coat conditioning.
- Vegetable oil for energy.
- Copra meal to aid in coat conditioning.
- Added amino acids essential for optimum growth rates in young horses.
- Balance of major minerals and trace minerals for strong bones.
- Yea Sacc™ stimulates the growth and activity of healthy bacteria in the gut, for improved digestion.
- Bio-Mos™ aids in maintaining a healthy balance of intestinal microbes and stimulates immune response.
- Extra Vitamin E - plays a vital role in the optimum function of muscular, circulatory, nervous and immune systems.
- Extra copper - is required for development of bone and joint cartilage.

### QUALITY PRODUCT

- Manufactured to strict quality control standards.
- ### PRECISE FORMULATION AND MIXING
- Formulated in accordance with current research into equine nutrition and mixed from a variety of quality raw materials.

### WITHHOLDING PERIOD

Nil.

### STORAGE

Cool, dry conditions, away from Vermin.

### EXPIRY AFTER MANUFACTURE

3 months from the date of manufacture.

### PACK SIZE

20kg, woven polypropylene bags, brown in colour.

Or

Bulk loads: Contact your local Riverina Sales representative for details.

Yea sacc™ and Bio-Mos™ are products of Alltech Inc.

This feed is scientifically designed for the intended species of animal and should not be fed to any other animal. It may contain medication and ingredients that may prove harmful if fed to other species.
